CAREER OBJECTIVE

Frontend Developer focused on building modern, responsive web applications using the MERN stack. I am eager to apply my problem-solving skills to contribute to real-world projects in a collaborative team environment.

TECHNICAL SKILLS

- **Frontend** : HTML5, CSS3, JavaScript (ES6+), React.js, TailwindCSS, Responsive UI, Firebase, Next.js
- **Backend** : Express.js, JWT, REST APIs, MongoDB
- **Tools & others** : Git, Github, VS Code, Figma, Netlify, Vercel

PROJECTS

1. Fresh Alert - Food Expiry Tracker

[Live Site](#) | [Client](#) | [Server](#)

Technologies : React.js, Firebase, Express.js, MongoDB, TailwindCSS, DaisyUI

Key Features :

- Add, update, and delete food items with expiry dates and personal notes
- Real-time expiry countdown for each item
- Search and filter food items by name or status

2. Active Club - Sports Club Management System

[Live Site](#) | [Client](#) | [Server](#)

Technologies : React.js, React Router, Firebase(Authentication & Hoisting), Express.js, MongoDB, TailwindCSS, DaisyUI, Stripe, Framer Motion

Key Features :

- Browse available sports facilities without registration and booking court based on slots
- Complete transactions with multiple payment options
- Use discount codes for instant savings on bookings

3. GreenHub - Gardening Community

[Live Site](#) | [Client](#) | [Server](#)

Technologies : React.js, React Router, Firebase, Express.js, MongoDB, TailwindCSS, DaisyUI

Key Features :

- Users can add, update, and delete gardening items
- Private dashboard with user-specific item management
- Like, search and filter gardening tips

Team Project :

[Live Site](#) | [GitHub Link](#)

Project Name : Pawfect Match - A Smart Pet Adoption Portal

Technologies : Next.js, React, NextAuth.js, MongoDB, Express.js, Jira, Vercel

Role : Frontend Developer and Database Integration

My contributions :

- Built Contact Form, Newsletter section and Donation Module for community trust and engagement.
- Developed "What Our Users Say" section to showcase real testimonials and increase platform credibility.
- Implemented Pet Care Page with category-based filtering and responsive design.
- Integrated Feedback Form with smooth redirection and user-friendly flow.

EDUCATION

Bachelor of Business Administration (BBA) in Accounting at National University of Bangladesh [2024 (Present)]

LANGUAGE

❖ **Bangla** - Native

❖ **English** - Fluent

❖ **Hindi** - Conversational
