Result	:	GPA 5.00 out of 5.00

Achievement

❖ Awarded Board Scholarship and received a memento for outstanding academic performance in SSC.
❖ Actively participated in sports events (race, long jump) during school and college years and won several prizes.
❖ Served as the captain of the school football team in primary school and led the team in inter-school matches.
❖ Took part in almost every cultural and annual event organized by the school and college, showing strong engagement in extracurricular activities.

Projects

1. Active Club - Sports Club Management System   Live Site | Client | Server

A sports platform for court booking, activity participation, and announcements. Admins manage courts, bookings, users, and updates.

Technology : React.js, React Router, Firebase, Express.js, MongoDB, TailwindCSS, DaisyUI, Stripe

Key Features :

● Browse available sports facilities without registration and booking court based on slots
● Complete transactions with multiple payment options
● Use discount codes for instant savings on bookings

2. Fresh Alert - Food Expiry Tracker   Live Site | Github(client) | Github(server)

A food management web app where users can keep track of stored food items, get expiry alerts and take personal notes .

Technology : React.js, React Router, Firebase, JWT, Express.js, MongoDB, TailwindCSS, DaisyUI

Key Features :

● Add, update, and delete food items with expiry dates and personal notes
● Real-time expiry countdown for each item
● Search and filter food items by name or status
● Automatically displays food items that will expire within the next 5 days.

3. GreenHub - Gardening Community   Live Site | Github(client) | Github(server)

A full-stack gardening community app where users can explore, add, and manage gardening-related   resources like tips.

Technology : React.js, React Router, Firebase, Express.js, MongoDB, TailwindCSS, DaisyUI

Key Features :

● Users can add, update, and delete gardening items
● Private dashboard with user-specific item management
● Search and filter gardening tips
● Any user can like other gardening shared tips

Language

❖ **Bangla** - Native
❖ **English** - Fluent
❖ **Hindi** - Conversational
